## **Associate Certificate • Marketing Management - Communications**

Burnaby, BC

British Columbia Institute of Technology/BCIT

01/2022 - 12/2022

 Relevant Coursework: Business Law, Marketing Essentials, Digital Marketing, Social Media Marketing, Public Relations, Advertising Design Production, Digital Branding, Project Management, Content Planning

## **Projects**

## **ROAM Hiking • UI/UX Design**

Tools: Figma, Adobe InDesign

Developed a user-centric mobile app concept for hiking enthusiasts utilizing methods like user persona, empathy mapping, journey mapping, and user flowcharts. Wireframes at low and high-fidelities were designed and tested to make informed decisions and uncover usability issues.

## Virtus • UX Writing, UI Design, Branding

Tools: Figma, Adobe InDesign & Illustrator

Designed a fitness website utilizing UX research methods like personas and empathy maps, and developed a brand style guide including logo design and usage guidelines. Keyword research was conducted to determine short and long-tail keywords that were incorporated throughout the web design. By tying a user-centered design with a consistent brand identity and SEO optimization, the project creates an engaging experience while reaching the intended audiences.
