WORK EXPERIENCE

Freelance Web Designer & Developer

tcgGuard.co | Port Coquitlam, BC | 2025

- Designed and customized a Shopify ecommerce storefront, ensuring a responsive, mobile-optimized, and visually consistent shopping experience.
- Created branded graphics and visuals for digital campaigns, improving overall brand alignment.
- Applied Shopify Liquid, HTML, and CSS for custom layouts and styling.

Media Design and Web Development Intern

Convergence | Vancouver, BC | 2025

- Designed and tested UX/UI for SimuHealth, a SaaS healthcare training platform tested by Fraser Health.
- Produced developer-ready UI deliverables, including wireframes, prototypes, and design specifications.
- Collaborated with developers, sales, and marketing to integrate designs and improve workflows.
- Contributed to feedback sessions, iterating on visual design details and micro-interactions.

Sales Associate

Inditex | Burnaby, BC | 2021-2023

- Worked in a fast-paced retail environment, applying attention to detail in delivering tailored solutions.
- Applied user-focused design principles in visual merchandising, enhancing customer experience.

PROJECTS

BCIT Student Simulation Survey

Convergence | UI/UX Design | 2025

Redesigned a mobile-friendly web interface for nursing students, enhancing usability and accessibility. Improved completion rates through better visual clarity, information hierarchy, and interactive flows.

Conscious Connections

FLUI Design Hackathon | UI/UX Design | 2025

Collaborated in a hackathon to design a seamless dating platform experience. Developed wireframes, prototypes, and information architecture. Integrated style systems to ensure consistent branding and responsive functionality.
