PROFILE

Marketing and Digital Designer with hands-on experience in marketing coordination, campaign execution, and cross-functional collaboration across healthcare and web platforms. Skilled at supporting and coordinating across design, development, and leadership teams to produce on-brand content, manage digital campaigns, and execute events across digital channels. Detail-oriented and proactive, with a strong ability to juggle multiple projects and tasks simultaneously, communicate clearly with stakeholders and deliver professional outputs on time.

WORK EXPERIENCE

Marketing and Digital Designer

Lifeguard Digital Health | Vancouver, BC | 2025-Present

- Supported the planning and execution of a virtual event, coordinating across internal teams and external platforms to ensure smooth end-to-end delivery.
- Coordinated the production of email campaigns, social media content, and digital marketing materials in collaboration with cross-functional teams including design, development, and leadership.
- Managed social media content scheduling and publishing across platforms, maintaining a consistent brand voice and visual presence.
- Produced a wide variety of branded marketing materials across print and digital channels, ensuring consistency with brand standards and accessibility guidelines.
- Supported a full brand refresh initiative, collaborating with stakeholders to develop a modernized visual identity and comprehensive brandbook.
- Presented marketing strategies and materials to government bodies and health authorities, capturing feedback and following up on action points to keep initiatives on track

Product Guide

Arc'teryx | Vancouver, BC | 2025-2026

- Delivered efficient, client-centric service in a fast-paced environment, consistently identifying individual needs and providing tailored recommendations
- Collaborated closely with team members to maintain high service standards and adapt positively to changing priorities

Freelance Web Designer & Developer

tcgGuard | Coquitlam, BC | 2025

- Partnered with a client to define project scope, deliverables, and creative direction, managing the full project lifecycle independently from brief through handoff
- Produced written and visual marketing content optimized for engagement, brand consistency, and audience clarity

Media Design and Web Development Intern

Convergence | Vancouver, BC | 2025

- Produced branded campaign graphics, digital assets, and proposal visuals to support client marketing initiatives across multiple touchpoints
- Coordinated with designers, marketers, and developers to maintain visual consistency across print, web, and presentation materials
- Supported research and information gathering for presentations and marketing collateral, contributing to organized, professional client-facing outputs
